

THE MILLION DOLLAR ADVOCATES FORUM

1. WHAT IS THE MILLION DOLLAR ADVOCATES FORUM?

The Million Dollar Advocates Forum is the most prestigious group of trial lawyers in the United States. Its members have won million and multi-million dollar cases.

2. HOW MANY MEMBERS ARE THERE, AND WHERE ARE THEY LOCATED?

There are now approximately 2500 members, located in all 50 states (plus several members in Canada and England).

3. WHAT TYPES OF TRIAL LAWYERS ARE MEMBERS?

The quality of our membership is very impressive. Many of our members have achieved numerous million and multi-million dollar results. Their practices include all types of litigation, including: major personal injury, products liability, malpractice, construction, environmental, employment, insurance and business litigation. The common fact is that they have each demonstrated, in an objective and tangible way, their ability to accomplish superior results in complex cases.

4. WHY WAS THE ORGANIZATION CREATED?

The Million Dollar Advocates Forum was founded in 1993 by a California trial lawyer who had won a number of million and multi-million dollar cases. The organization was created to serve two essential purposes. First, to recognize the skills, experience and accomplishments of trial lawyers who had won large and complex cases. Second, to provide a national network of experienced colleagues who handle such cases, to facilitate information exchange, local assistance and case referrals. The organization was created and membership invitations were sent to a number of trial lawyers throughout the country who had won million and multi-million dollar cases. Membership invitations are sent to attorneys based upon reports of large cases or on the nomination of current members. Other attorneys who are qualified may apply for membership.

5. WHAT ARE THE REQUIREMENTS FOR MEMBERSHIP?

Essentially, members must have acted as principal counsel in at least one case in which a verdict, award or settlement in the (present value) amount of one million dollars or more was obtained.
